SANT FRANCESC

MAJORCA

Conveniently located and under a 15-minute drive from Palma de Mallorca airport, Hotel Sant Francesc Singular is a devastatingly beautiful Mallorcan mansion, built in 1860 and located in Old Town Majorca. On arrival you cannot help but be blown away by its beauty. The attention to detail in this lovingly resorted property is enchanting, from the exposed beams and stone floors to wooden coffered ceilings and murals.

Stay in The Sant Francesc suite, the pinnacle of luxury, heritage and elegance. It has been designed as a singular space, free of partitions which allows you to enjoy the original ceiling frescoes in their authentic entirety. There is also a private balcony that offers mesmerising views of the iconic Sant Francesc Square.

Head to the panoramic rooftop terrace that offers captivating views of the city, especially the Sant Francesc Basilica. There is a pool, solarium and bar that makes the most innovative cocktails. As the setting sun transforms the sky turns from powder blue to a deep pink, enjoy a contemporary Mediterranean dinner framed by olive trees at Quadrat Restaurant and Garden, the Wild Boar Ragout with cocoa beans and hazelnut is truly unforgettable, followed by Pineapple Ceviche with white chocolate and black tea ice cream for dessert.
